

# Vale Tim Underwood – Celebrating the music of a local music legend

TUESDAY 30TH JUNE / PRESENTED BY [TAYLAH STRANO](#) [ROSS CHISHOLM](#)

It's always sad when a member of our music community passes on. On June 27 we said goodbye to **Tim Underwood**.

With so many projects and releases to his name, it was pretty overwhelming to try and discuss Tim's career.

Luckily, local music shaman **Ross Chisholm** joined **Breakfast with Taylah** to take us down the local music rabbit hole, and revel in cuts from **The Rosemary Beads** and **The Violet Crumble**.

You can also listen back to episodes of **The Land That Time Forgot** with Ross Chisholm:
